BRIDGING THE YEARS TOGETHER

## ***INTRODUCING THE PRHS CLASS OF 2020***

# ***LOOKING GOOD PRHS***

For more than five years, much of our alma mater has been hidden from view due to necessary repairs that required scaffolding be raised. In the first instance, emergency repairs involved replacement of parapets on the original u-shaped building which opened in 1927. Within several months following the end of the parapet replacement project, the scaffolding went up again after major leaks were detected behind the brickwork of the older section of the building. The work involved removing the bricks section by section, sealing the source of the leaks, and then reattaching the original bricks. The pictures that appear on this page and on page 3 were taken by students in Sal Massimillo's photography class. We thank Mr. M and his students for participating in this class project.

## Principal's Message

Greetings to my fellow Minstrels and Raiders,

I hope this message finds you well and your families are healthy and safe. Unfortunately, this message does not come to you from my office at Port Richmond but rather, remotely from my home, as has been the case since March 16th. That being said I would still love to update you on the exciting happenings over the last year at our alma mater. As I stated, due to the COVID-19 pandemic, our spring term was cut short and students were required to finish out the year remotely from home doing on-line instruction. I can't begin to tell you how amazing our staff and students were in making this transition and completing all necessary work and assignments. This was especially hard on our graduating seniors who missed out on many of our traditional senior activities like Senior Night, Senior Awards Night, Senior Prom and graduation at Wagner College. Thankfully, our amazing staff found inventive ways to celebrate our seniors and to make their last few months special. We started off by surprising our 12th graders by delivering 367 lawn signs to their homes during May. We then delivered senior awards and scholarships to each award recipients homes, followed up by a virtual awards ceremony produced by our remarkable TV & Media Arts Academy. We also hung picture of every graduation senior along the fences on Innis Street and St. Joseph's Avenue to proudly honor their accomplishments. Lastly, we ended the year with a "Drive-Thru" Graduation Ceremony around the perimeter of the building with more than 140 staff members lining the streets applauding and recognizing the outstanding class of 2020. On top of all that, I am pleased to share that as of today, it looks like this senior class will have the highest graduation rate we've had in the last decade and I am optimistic that our graduation rate will continue to increase each year of my tenure as principal.

Other exciting happenings this year, was the groundbreaking on our new 17 million dollar athletic complex, a new gymnasium floor, and six brand new state of the art computer labs valued at approximately \$600,000. This year our impressive drama department performed their first Winter Musical "Once on this Island" while our Raiders Abroad program continued for a second year travelling to Japan with thirty of our students during Mid-Winter break.

All year our students continued to amaze and impress me with an outstanding graduating class that amassed a total of nine million dollars in college scholarships. A student body that collected over 50 pints of life saving blood and completed over 10,000 hours of community service.

Lastly, I'd like to thank our amazing alumni association for your devotion to our school, your generosity to our students and your ongoing support of our programs and me as I finish my second year as principal. I wish you all a wonderful summer and I hope we have an opportunity to see each other at all of our exciting events next school year.

Fondly,  
Andrew Greenfield (Class of 1988)  
Principal

## President's Message

To All Alumni

In an effort to make better use of the individual "Alumni dues" that members send to the organization each year, we are changing our policy concerning the way the Newsletter is delivered to our membership. In the last several years it has cost between \$18,000 and \$20,000 each year to print and mail the Newsletter. We really believe that many of our alumni enjoy reading our Newsletter and that it is a great tool to keep our membership up-to-date about what is going on at Port Richmond HS and we're pretty certain that seeing the Newsletter brings back many good thoughts about your years as a student at the school. The problem is the cost has become prohibitive.

Our plan for this year is as follows:

- This edition of the Newsletter has been mailed to all our members.
- The upcoming editions will be emailed to our members. Please be sure to include your email address when completing the 2020-2021 Membership Form included in this Newsletter.
- If you do not have a computer, smartphone, iPad or do not have an email address, please mark the 2020-2021 Membership Form "NO EMAIL" and be sure to complete the entire form and we will continue to mail the Newsletter to you.

In June 2019 the Alumni Association awarded \$15,000 in scholarship money and this year we were able to award \$23,000. Thank you to Tom and Evelyn Anderson for generously contributing toward these scholarships.

It is our hope that if we can streamline the cost of distributing the Newsletter, we will be able to up our scholarship awards closer to \$30,000. There are so many deserving students at PRHS who desire to further their education but find the cost of college too high. Our hope is to ease that burden a little and enable more students to reach their full potential.

In addition, our newly designed website:  
[www.PortRichmondAlumni.com](http://www.PortRichmondAlumni.com) should be up and running by the time you receive this Newsletter.

Sincerely,  
John C. Woodman '62

## Congressman Max Rose meets with Port Richmond Students

Member of Congress Max Rose (D) 16th NY, took time from his busy schedule to meet with a group of Raiders during the fall term to discuss the issue of gun violence in America. We thank Congressman Rose for giving our students the opportunity to share their thoughts with a public official who has the ability to influence positive legislation to solve this problem.

# Class of 2020 Alumni Scholarship Recipients

Congratulations to those members of the Class of 2020 whose hard work and dedication has been rewarded by the Alumni Association. We thank Principal Andrew Greenfield and his staff for their assistance with the selection process. We especially want to express our gratitude to alumni Tom and Evelyn Steinle Anderson, who for the second consecutive year, have donated \$10,000 to fund two scholarships for students in need. In 2019, the value of alumni scholarships was approximately \$15,000; for 2020 that amount exceeds \$20,000. We urge all of our alumni to support us in our efforts to provide the best education possible for the current students of PRHS. Remember, "From those to whom much has been given, much is expected!"

## Class Notes

Bill wearing his  
Varsity Track  
Sweater.

**1947** – Bill Drinnan '47 joined the PRHS Alumni Association shortly after its formation. For seventeen years, Bill served as the organization's treasurer and did an outstanding job keeping the books and making sure that all applicable rules and regulations were followed. Bill stepped down as treasurer several years ago, but remained active as a board member. Bill now, at the age of 90, has fully retired from the Alumni Association. In honor of his long service, the Board of Directors of the Association has renamed the two Total Raider stipends as the William G. Drinnan Total Raider Scholarships, each with a value of \$1,000.00. We thank Bill for his dedicated service to the students of PRHS and wish him the very best as he recovers from a fall at home. We also thank his wife, Claire Stephens Drinnan '50, for "lending" Bill to us for all of those Wednesday night meetings. Please take note of the picture of Bill in this issue. He is wearing his Varsity Track sweater he earned when he was a runner for the Minstrels (1944-1947) over 70 years ago. Bill likes to brag that "...it still fits!"

**1970** – The Class of 1970's 50th Reunion celebration that had been scheduled for September 26, 2020 has been canceled. It is hoped that the event can be rescheduled for a later date. For further information. Please contact Pam Mauro '1970 at [inkeeper52@yahoo.com](mailto:inkeeper52@yahoo.com) for further information.

## ***It's The Start of a New School Year and Dues are Due!!!!***

Our membership year runs from July 1- June 30, so it is time to get a jump on the New Year and get those dues in. We use the dues money to provide six scholarships at graduation, fund our Hall of Fame event, and buy items, not provided by the Department of Education, to enhance the educational experience at Port Richmond for our students. Last year we helped fund the new STEM lab at Port Richmond, the first high school to have one on Staten Island. This year we gave additional scholarships to students in need totaling over \$10,000.00.
